

Students General Guidelines Before Resuming Education

- All students must undergo the **COVID-19 examinations** before their return to university, to ensure that they are safe.
- All students should declare if they come into **contact with coronavirus patients**, or if they **return from abroad** for a period of less than or **equal to 14 days**.

- All students must **wear face masks** at all times upon entry into the campus. **Failure** to comply with this procedure would **deprive them of entry**.

- Any person entering the university shall **undergo temperature check**.

- No cash payment** shall be permitted, and electronic payment options shall be encouraged.

- Students must **be prohibited** from study in the university if they have **symptoms of the common cold such as fever, headache, cough....**, etc.

- Water dispensers and food vending machines **will not be available**.

- Packaged snacks** shall be allowed, provided that the health and safety guidelines shall be followed, see the below links.

- No personal tools** (pen and other items) must be **exchanged**.

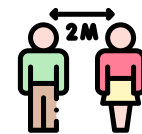

- All students shall register in the **AI Hosn Application**. Download the app from App Store or Google Play.

- Parents undertaking** must be obtained (for undergraduate students and below), for students to adhere to all **precautionary measures**, and use of **AI Hosn application**.

- Students **with special health conditions** will be provided with distance learning opportunities, to reduce the risk of infection.

- Students shall **maintain physical distancing** (*1.5 meters in classrooms and 2 meters outside of classrooms*).

- All students should **adhere to national guidelines** regarding policies developed to reduce the transmission risk. Links for the national guidelines below;
