Management Conference

Overview

The 5th International Aviation Management Conference will be held at Emirates Aviation University, Dubai, UAE on 18 - 19 November 2024.

Aim

Provide a global platform where aviation management professionals, from both industry and academia can come together to discuss key strategic issues facing the industry and present contemporary research findings.

Keynote Speakers

Will be leaders and opinion-setters from the aviation management industry who are regarded as bench-mark practitioners within their related fields of expertise. Leaders, Presidents, CEO's and Directors of the worlds leading aviation management businesses will also be invited to speak or attend the conference.

Presentation Topics

Conference topics will include but not limited to:

- Airline Operations and Management
- Air Traffic Management Innovations
- Air Cargo Logistics and Sustainability
- Air Transport Policy and Regulation
- AI Applications in Aviation
- Aviation Finance and Economics
- Aviation Law
- Aviation Management and Strategy
- Aviation Safety and Security
- Biofuels and Green Initiatives
- Data Analytics for Operational Efficiency
- Digital Transformation in Aviation
- Environmental Impact Mitigation
- Future of Urban Air Mobility
- Human Factors in Aviation
- Regulatory Challenges in Emerging Technologies
- Sustainable Aviation
- Technological Innovations and Implications
- Women in Aviation
