

Got **bold ideas** in
AI, Data Science,
or Robotics?

Turn them into real-
world solutions and
showcase your skills!

EAU Alxplore 2025

IRADA Intra-University
Innovation Challenge in AI,
Data Science & Robotics

What's the Challenge?

- Showcase AI, Robotics & Data Science innovations.
- Apply Innovative ideas in Aviation, Healthcare, Engineering, and more
- Promote teamwork & hands-on learning.
- Get ready for tech hackathons & real-world impact.

Organized by

the IRADA Innovation Centre,
Faculty of Mathematics and Data Science

May 30, 2025

PHASE-I

Project Proposal
Submission

*Submit a short idea tackling real-
world problems.*

Oct 02, 2025

PHASE-II

Final Presentation &
Evaluation

*Present poster, prototype/demo, 5-
min video, and a 4-page report.*

Workshops & Mentorship

Shortlisted teams will get

- Training in **Python, Excel, Power BI, MATLAB**
- **Mentorship** tailored to project needs

Award & Recognition

- Win certificates & prizes
- Get featured & nominated for **top tech competitions**

Who Can Join?

- Open to all undergraduate students at EAU.
- Team (Max. 2 members) participation encouraged!
